QUOTE/ORDER PROCEDURE

To request a quote for a Skypod, fill out the quote request form and email to your roofing ownership contact. We endeavour to return your **quote within 1 hour*** (excluding weekends and bank holidays).

If any alterations are required, please email back the quote we have provided highlighting the changes. **DO NOT** sign this. A new confirmation will be prepared for you to re-check and sign.

When you are happy that everything on the confirmation is exactly as required, sign it and email back to your Roofing Ownership contact. The signed confirmation constitutes your final approved order and the production paperwork is produced from this. Any alterations made after you have returned the signed confirmation may be subject to charges.

Conservatory roofs will be delivered in 4 working days from date of order. If you have requested a specific delivery date, every effort will be made to accommodate your needs and we will contact you in writing to confirm of any issues.
