# Deeplas shower panels

## The no-mess solution for perfectly finished shower walls

Deeplas extensive range of shower panels have been designed specifically to fit modern 900mm and 1200mm width shower trays. With no grouting required, this is a quick and easy way to provide a high quality finish to any bathroom.

Available in a range of colours and finish options, this ensures that there is a design to enhance all shower and bathroom interiors.

Deeplas shower panels are 100% lead free, meet stringent Class 1 fire ratings and has a 5 year guarantee given a perfect finish that will last.

## More than just a shower panel

To transform the look of the whole bathroom, Deeplas shower panels can also be used to create continuous flat panels by using the mid joint trim.

## Why choose Deeplas shower panels?

- Available in a range of colours and finishes to suit every taste
- Available in 2400mm Length x 10mm Thick x 900mm or 1200mm widths
- Class 1 fire rated
- Completely lead-free – for minimal environmental impact
- Quick and easy to install – no grouting required
- 100% water resistant
- 5 Year Guarantee

# EasyCeil ceiling system

## Gloss white waterproof panels provide an attractive wipe-clean ceiling for any bathroom or wet room

If you need to create a clean, waterproof ceiling for any bathroom, shower enclosure or wet room, EasyCeil from Deepplas provides an ideal solution that will enhance the appearance of your room.

## Premium-quality wipe-clean panels

The lightweight, white gloss panels are 100% waterproof and are embellished with chrome infills to create a premium-quality look. Panels are delivered with a protective film covering and once fitted can be kept in immaculate condition with a simple wipe clean.

## Easy-to-install panels help to reduce condensation

As well as improving the appearance of your room, EasyCeil panels can help to reduce condensation and enhance the insulation of your room. The 200mm-wide panels are available in 2.7m or 4m lengths and are designed for rapid and simple installation.

### Why choose EasyCeil ceiling panels?

- Gloss white tongue-and-groove panels with chrome infills to enhance the appearance of any bathroom, shower enclosure or wet room
- Easy to maintain, with a wipe-clean finish
- Designed for rapid, simple installation
- Waterproof panels help to reduce condensation and improve insulation
- Class 1 fire rated
- Completely lead-free – for minimal environmental impact
