

Product guide

Quality you can feel

As a leading supplier of cutting-edge, intelligently-designed products, Deeplas is at the forefront of design and innovation.

We offer multi-product solutions for every part of the home, as well as a unique colour collection for each system and profile, which means there's a shade to fit even the most demanding installation.

The Deeplas range allows extensive choice and solutions from the world's premier manufacturer. With high resistance to today's climate and lifestyle, you can be sure of a sound investment.

Exterior

An aesthetically pleasing collection of roofline accessories and cladding can enhance any property and add value and style.

Interior

Ceiling and wall panels along with melamine window boards offer innovative interiors with easy fixing solutions.

Innovative design and technical excellence combine in cutting-edge products with lasting appeal.

Deeplas only manufactures the highest quality products. Our calcium organic, dense PVC-U extrusions guarantee robust, attractive, long-life performance.

Interested in becoming a premium roofline installer?

Find out more

premium
roofline installer scheme

Deeplas invites quality installers to become accredited installers

They must attend a training session at the dedicated Deeplas training centre, where they are shown how to fit our premium PVC-U products to exacting Deeplas standards.

After successfully completing the training, installers are awarded their accreditation, along with supporting marketing materials and samples.

If you require more information about our products or training facilities call our hotline on

0800 988 7305

Guarantees

White Deeplas building products are guaranteed for up to a maximum of 20-years.

White - for a period of 20-years from the date of original purchase, PVC-UE cellular profiles (series Deeplas®) shall not crack, swell or corrode;

Foiled - for a period of 10-years from the date of original purchase, the foil of PVC-UE cellular profiles (series Deeplas®) being exposed in climatologic conditions corresponding to the UK and Ireland, will remain almost unchanged it being understood that the contrast corresponding to scale 4 on the grey scale according to ISO 105/A03 is not exceeded.

A guarantee of 10-years for foiled profile is available on request. Please visit the Deeplas website for further information.

The aforementioned guarantees are only valid if the product has been handled and installed in accordance with the specifications detailed within the Technical Application Guidelines booklet.

Non-compliance of these recommendations invalidates any Deeplas warranty.

General information

This Product Guide supersedes all previous issues. We reserve the right to amend specification prices at any time without prior notice.

It is not our policy to accept returned goods. However, in exceptional circumstances we may consider acceptance but this must be pre-arranged and will in all cases attract a handling charge of 25%.

The Customer will be liable for the full amount in the event of a cancellation of the order.

Due to our policy of consistent improvement, all drawings, photographs and technical details are subject to change without notice. The profiles and colours shown may differ slightly in shape, scale and/or colour.
