

BUILDING PLASTICS PRODUCT GUIDE

2020

QUALITY YOU CAN FEEL

As a leading supplier of cutting-edge, intelligently-designed products, Deeplas is at the forefront of design and innovation.

We offer multi-product solutions for every part of the home, as well as a unique colour collection for each system and profile, which means there's a shade to fit even the most demanding installation.

The Deeplas range allows extensive choice and solutions from the world's premier manufacturer. With high resistance to today's climate and lifestyle, you can be sure of a sound investment.

EXTERIOR

An aesthetically pleasing collection of roofline accessories and cladding can enhance any property and add value and style.

INTERIOR

Ceiling and wall panels along with melamine window boards offer innovative interiors with easy fixing solutions.

STYLE

Innovative design and technical excellence combine in cutting-edge products with lasting appeal.

INNOVATIVE

Deeplas only manufactures the highest quality products. Our calcium organic, dense PVC-U extrusions guarantee robust, attractive, long-life performance.

roomline®

ANTHRACITE PVC-U SKIRTING. THE QUICKEST WAY TO GO GREY.

Chamfered Roomline
skirting boards in **Anthracite Grey**

It seems everybody wants to go grey nowadays. So here's the quickest, easiest way to bring skirting boards and architrave bang up to date: New Roomline in Anthracite Grey.

Just as simple as the rest of the Roomline PVC-U skirting and architrave range (No cutting or mitring - it just slots together and glues straight onto the wall), it means you've got even more to offer style conscious customers.

And because it's so fast to fit, it means you can be finished and on to your next job in no time.

See our full range on page 39

WINDOW BOARDS

Easy-to-handle boards make fitting quick and simple

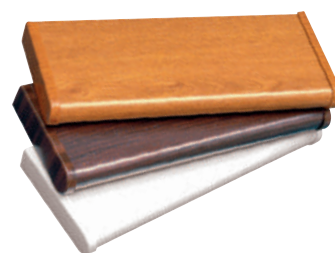

- Long-life, hard-wearing laminate surface to protect against scratches, fading and water
- Robust, heavy-duty wood fibre laminate profile provides a rigid, sturdy base
- Window board base material made with wood fibres
- Easy-to-handle boards make fitting quick and simple
- Full range of colour-matched end caps and joiners for a high-quality installation and professional finish

Commercial Plus Rainwater System (150mm)

Commercial Plus Rainwater System (150mm)

Designed to handle large volumes of water with ease, as the outlet design encourages a vortex effect for greater water flow down the pipe. The Commercial Plus system is suited to commercial or large domestic housing projects.

ELEGANCE CAST IRON EFFECT GUTTERING

A stylish range of guttering and downpipe products

- A decorative effect that combines the look of a traditional cast iron system
- Quick to install and ready to fit without the need for painting or protective coatings
- Reduced total installation cost. (No metal primer, spanners, paint, or disc cutters required)
- Durable and long-lasting finish without the need to apply corrosion control traditionally used with cast iron systems
- UV stabilised to protect against colour fade
- Lightweight construction for easy handling, assembly and installation
- Stylish and functional, making the range suitable for new build and residential projects

INTERESTED IN BECOMING A PREMIUM ROOFLINE INSTALLER?

FIND OUT MORE

Deeplas invites quality installers to become accredited installers

They must attend a training session at the dedicated Deeplas training centre, where they are shown how to fit our premium PVC-U products to exacting Deeplas standards.

After successfully completing the training, installers are awarded their accreditation, along with supporting marketing materials and samples.

If you require more information about our products or training facilities call our hotline on

GENERAL INFORMATION

This Product Guide supersedes all previous issues. We reserve the right to amend specification prices at any time without prior notice.

It is not our policy to accept returned goods. However, in exceptional circumstances we may consider acceptance but this must be pre-arranged and will in all cases attract a handling charge of 25%. The Customer will be liable for the full amount in the event of a cancellation of the order.

Due to our policy of consistent improvement, all drawings, photographs and technical details are subject to change without notice. The profiles and colours shown may differ slightly in shape, scale and/or colour.

GUARANTEES

White Deeplas building products are guaranteed for up to a maximum of 20-years.

White - for a period of 20-years from the date of original purchase, PVC-UE cellular profiles (series Deeplas®) shall not crack, swell or corrode;

Foiled - for a period of 10-years from the date of original purchase, the foil of PVC-UE cellular profiles (series Deeplas®) being exposed in climatological conditions corresponding to the UK and Ireland, will remain almost unchanged it being understood that the contrast corresponding to scale 4 on the grey scale according to ISO 105/A03 is not exceeded. A guarantee of 10-years for

foiled profile is available on request. Please visit the Deeplas website for further information. The aforementioned guarantees are only valid if the product has been handled and installed in accordance with the specifications detailed within the Technical Application Guidelines booklet.

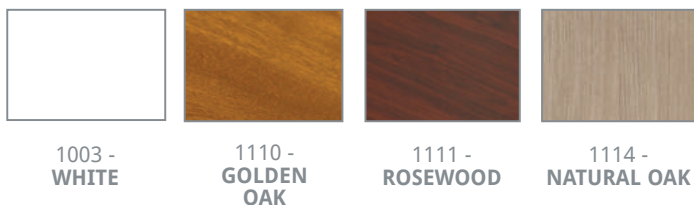

Non-compliance of these recommendations invalidates any Deeplas warranty.
