# EasyCeil ceiling system

## Gloss white waterproof panels provide an attractive wipe-clean ceiling for any bathroom or wet room

If you need to create a clean, waterproof ceiling for any bathroom, shower enclosure or wet room, EasyCeil from DeepLas provides an ideal solution that will enhance the appearance of your room.

## Premium-quality wipe-clean panels

The lightweight, white gloss panels are 100% waterproof and are embellished with chrome infills to create a premium-quality look. Panels are delivered with a protective film covering and once fitted can be kept in immaculate condition with a simple wipe clean.

## Easy-to-install panels help to reduce condensation

As well as improving the appearance of your room, EasyCeil panels can help to reduce condensation and enhance the insulation of your room. The 200mm-wide panels are available in 2.7m or 4m lengths and are designed for rapid and simple installation.

## Why choose EasyCeil ceiling panels?

- Gloss white tongue-and-groove panels with chrome infills to enhance the appearance of any bathroom, shower enclosure or wet room
- Easy to maintain, with a wipe-clean finish
- Designed for rapid, simple installation
- Waterproof panels help to reduce condensation and improve insulation
- Class 1 fire rated
- Completely lead-free – for minimal environmental impact
